Meet Megan:

Megan leads branch marketing for a regional bank.

8:00 AM

Megan, on a light rail train, uses Teams Phone to read the transcription of a previous call before this morning's meeting.

Solution: Teams Phone

8:35 AM

Megan starts the call as she walks to the office. Because of street noise, she views live captions to make sure she doesn't miss a beat.

Solution: Teams Phone

11:40 AM

On her way to lunch, Megan sets her calls to forward to Gina, her support team lead, to handle any escalations that may arise.

Solution: Teams Phone

1.6 hours per week

saved by highly mobile staff for more productive work²

2:30 PM

Megan collaborates in real-time with everyone in the meeting using whiteboards.

Solution: Teams Rooms

4:40 PM

Megan reviews an AI-generated meeting recap and makes an outbound PSTN call to one of the attendees for a deeper discussion on an issue.

Solutions: Teams Phone and Teams Premium

9:00 AM

Arriving at work, Megan seamlessly transfers the call to her laptop.

Solution: Teams Phone

1:40 PM

Megan finds her afternoon meeting room double-booked. Outlook integration with Teams Rooms lets her easily find another space.

Solution: Teams Rooms

2:00 PM

Megan uses one-touch join to wirelessly co-host a virtual meeting. Digital watermarking in Teams Room and Teams Phone end-to-end encryption ensures that the meeting's content stays secure.

Solutions: Teams Premium and Teams Rooms

3:40 PM

The Teams Room Pro Management portal notifies Megan that her Surface Hub battery is running low. She texts IT to schedule a replacement.

Solutions: Teams Rooms and Teams Phone

Figures represent benefits for a composite enterprise organization and may differ by organization size and workforce characteristics. Sources:
